## Official Opening of the 162nd Listowel Fair by members of the 2018 Sutherland Cup Champion Listowel Jr. B Cyclones Hockey Team

For the first time in history, the Listowel Jr. B Cyclones are the kings of Ontario Junior B hockey.

Coached by Listowel native Jason Brooks, the team beat the Caledonia Corvairs four games straight to win the Sutherland Cup title in May 2018.

Prior to this, the team won the Cherrey Cup, beating the Elmira Sugar Kings four games straight. The team also won this title in 2017.

The team, a combination of local players and out-of-town players, had a 2017-18 regular season record of 43 wins and 5 losses, one of the best in Ontario.

**Special Entertainment for the evening  
provided by Country Music Artist  
Scotty Kipfer**

Scotty Kipfer was born into a musical family and grew up in small-town Milverton surrounded by musicians who always encouraged him to play. By three years old, he was tagging along with his dad to perform with the Milverton Legion Band

at local nursing homes, with a plastic saxophone in tow. At seven, he was playing fiddle in a family band. He played piano and a number of brass and woodwind instruments until he became enamoured with country music. Scotty was seventeen when he picked up a guitar and began to write songs.

Since then, Scotty has worked for record labels and management firms, as a radio announcer, a cartoonists and a touring guitar player with several artists. He is currently a song writer and performs throughout Southern Ontario and the American Midwest.
