

PLANTS & CUT FLOWERS

40. Lilies, one stem, white or white blend
41. Lilies, one stem, orange
42. Lilies, one stem, any colour not listed
43. Ornamental Grasses, 3 different varieties, 7 stems
44. Clematis, one bloom floating in an open bowl, NO foliage (must float and not touch sides of bowl)

CRAVING FOR CHANGE

Horticulturalists are constantly developing new plant varieties to spark the interest of gardeners. This year, in keeping with the theme, we are encouraging our exhibitors to share their enthusiasm for gardening by showing some newer varieties of plants that have been developed within the last 10 years. You may have to check with your plant provider to determine if the plant has been recently introduced. Name it if possible, but not necessary.

45. A new variety of hydrangea - 1 bloom in a vase with own foliage
46. A new variety of succulent other than sedum - one plant growing in a pot
47. A new variety of sedum - 1 plant growing in a pot or 2 stems in a vase
48. A new variety of grass - 3 stems in a vase
